J7050	BRAKE CLEANER Cleans drum and disc brake assembly, including pads, cylinders and springs. Removes brake lining dust and residue, evaporates quickly without residue.	Amber Solvent	1G: \$NA 5G: \$64 55G: \$607
J7053	NON_CHLORINATED BRAKE CLEANER Cleans drum and disc brake assembly, including pads, cylinders and springs. Removes brake lining dust and residue, evaporates quickly without residue.	Amber Solvent	1G: \$NA 5G: \$64 55G: \$607
J7055	DIESEL FUEL TREATMENT Additive for fuel oil, kerosene, etc. Removes carbon and keeps injectors clean. Absorbs water and burns it through the engine. Allows for better mileage.	Amber Solvent	1G: \$13 5G: \$59 55G: \$556
J7060	SPRAY WAX Dilute with water for spray applications in automatic car washes. Does not foam and leaves a high gloss on automobiles. Waxy concentration of carnauba solubilized in aqueous media.	Yellow Waxy	1G: \$14 5G: \$63 55G: \$594
J7600	ROAD WASH Controlled suds for use in automatic car washes. Free rinsing, high lubricity. High dilution ratio. Very economical yet very effective to use.	Blue Characteristic	1G: \$8 5G: \$35 55G: \$304

J7700	<p align="center">TRANSPORT</p> <p>Non streaking, high lubricity, detergents and builders with foam action for best hand washing results. Works well with sponge or brush. Dilute prior to use.</p>	Yellow Characteristic	<p>1G: \$8 5G: \$35 55G: \$23</p>
J7740	<p align="center">H.D. CAR & TRUCK WASH</p> <p>Concentrated, specially formulated with surfactants and alkaline detergents to penetrate, loosen and chemically remove layers of grease, soil, build up and road scum completely without harm to the surface.</p>	Pink Cashmere	<p>1G: \$9 5G: \$38 55G: \$341</p>
J7800	<p align="center">GLOSSY</p> <p>18% Wash and Wax. Time saving detergents married to a shine enhancer. Removes grease and road film. Produces bright, glossy shine effortlessly. Our biggest seller.</p>	Yellow Characteristic	<p>1G: \$8 5G: \$35 55G: \$304</p>
J7828	<p align="center">WASH N' WAX 28</p> <p>Synthetic detergents, emulsifiers, sequestrants and wax that penetrate, suspend and clean away dirt, grime and bugs. Cleans and restores in one single step. Rinses easily. Non-streaking and spot resistant.</p>	Yellow Lemon	<p>1G: \$12 5G: \$45 55G: \$411</p>
J7840	<p align="center">WASH N' WAX CONCENTRATE 40</p> <p>Concentrated high foaming detergents & wax that leave a buffable wax film on washed surfaces. Dilute before using. Will not harm waxed finishes. Non-streaking, can be used for spray or brush application.</p>	Yellow Lemon	<p>1G: \$14 5G: \$54 55G: \$505</p>
J7845	<p align="center">LOVE BUG REMOVER</p> <p>Non-butyl odorless cleaner. Will not harm painted surfaces. Biodegradable. Your best chance to remove bugs before they do damage to your vehicle.</p>	Red Characteristic	<p>1G: \$8 5G: \$35 55G: \$322</p>

ACIDS

Part Number	Description	Color Fragrance	Qty \ Price
J1500	<p style="text-align: center;">RUST REMOVER</p> <p>A uniquely formulated rust remover and dissolver, excellent pre-paint treatment and bonderizer. Removes and stops surface rust, mineral film oxides, milkstone etc. Phosphatizes steel. Concentrated.</p>	Green	1G: \$13
		Acidic	5G: \$61 55G: \$580
J1505	<p style="text-align: center;">DESCALER</p> <p>Acid solution that converts lime soap, boiler scale and rust into soluble salts. A special blend of acids and corrosion inhibitors to remove rust And scale from boilers, heat exchangers, steam cleaner coils, etc.</p>	Amber	1G: \$5
		Acidic	5G: \$23 55G: \$182
J1510	<p style="text-align: center;">LIME SCALE & RUST REMOVER</p> <p>This potent acid, wetting agents and solvents blend ties up and eliminates unsightly calcium and magnesium deposits, rust, grease, grime, food film and other difficult, acid susceptible soil sand stains.</p>	Colorless	1G: \$6
		Acidic	5G: \$26 55G: \$220
J1515	<p style="text-align: center;">MARINE PHOS 21</p> <p>Acid cleaner, rust remover and preventative phosphatizer for metal surfaces. This unique blend of phosphoric acid and other organic acids, Surfactants and inhibitors prepares metal surfaces for painting.</p>	Amber	1G: \$9
		Acidic	5G: \$41 55G: \$365
J1520	<p style="text-align: center;">MILDEW STAIN REMOVER</p> <p>Multi-purpose phosphoric acid detergent. Removes mildew stains, milkstone and waterscale. Use straight for removal of mildew from all surfaces.</p>	Colorless	1G: \$9
		Acidic	5G: \$41 55G: \$374
J1525	<p style="text-align: center;">ACID COIL CLEANER</p> <p>Excellent mild acid cleaner & brightener. Removes scale, discoloration and stains from evaporator and condenser coils. A unique blend of mineral acids and detergents.</p>	Red	1G: \$7
		Acidic	5G: \$32 55G: \$224
J4997	<p style="text-align: center;">RUST & SPRINKLER REMOVER (RUST OFF)</p> <p>Will remove rust stains safely and quickly from stucco, brick, sidewalks, fences and most painted and concrete surfaces. Not recommended for use on unpainted wood, stainless steel, chrome, glass or aluminum.</p>	Amber	1G: \$9
		Acid	5G: \$41 55G: \$369

INDUSTRIAL DEGREASERS

Part Number	Description	Color Fragrance	Qty \ Price
J1600	<p style="text-align: center;">DEGREASER</p> <p>Heavy duty solvent degreaser. Extendable with petroleum solvents. Emulsifies when hit with water. Combustible, but excellent on motors and heavy equipment and machinery.</p>	Amber Solvent	1G: \$10 5G: \$47 55G: \$430
J1605	<p style="text-align: center;">PARTS WASHER SOLVENT</p> <p>Designed specifically for the parts washer industry. This green solvent can be diluted with mineral spirits for economy. Contains green electrostatic dye. Product is combustible, not flammable.</p>	Colorless Solvent	1G: \$NA 5G: \$40 55G: \$365
J1610	<p style="text-align: center;">DETAR</p> <p>Asphalt industry loves this product. Removes tar & asphalt from equipment that steam cleaning won't. Heavy duty ortho smell that emulsifies quickly. Does a great job on engines and fifth wheels.</p>	Amber Solvent	1G: \$NA 5G: \$62 55G: \$551
J1615	<p style="text-align: center;">ELECTRIC MOTOR CLEANER</p> <p>100% Chlorinated solvents. No flash point, expensive, but the best degreaser known. Evaporates instantly. In many cases there is no substitute.</p>	Colorless Solvent	1G: \$21 5G: \$91 55G: \$888
J1611	<p style="text-align: center;">ECONO ORANGE</p> <p>A diluted form of d'limonene. An all natural citrus cleaner where complete biodegradability is mandatory. This white milky emulsion, Which smells strongly of citrus, is an excellent cleaner and degreaser.</p>	Clear Citrus	1G: \$15 5G: \$68 55G: \$650
J1625	<p style="text-align: center;">ORANGE A PEEL</p> <p>Biodegradable degreaser made from citrus extracts. No petroleum or hydrocarbons. All natural. Smells like oranges, turns milky white when diluted with water. Some use as a deodorizer.</p>	Orange Citrus	1G: \$21 5G: \$98 55G: \$907

PRESSURE WASHER & STEAM CLEANER DETERGENTS

Part Number	Description	Color Fragrance	Qty \ Price
F1310	LOW FOAM CHLOR-CLEANER A high alkaline (sodium hydroxide) chlorinated wash for use in a variety of automated cleaning applications where foaming is not desired. (20:1)		1G: \$25 5G: \$96 55G: \$586
J1450	SUPERSOAP A Multi Purpose heavy duty cleaner and degreaser. Caustic formulation for use with pressure cleaning equipment. (10:1 / 50:1)	Red Odorless	1G: \$7 5G: \$32 55G: \$271
J1455	SUPER SAFE A Multi Purpose heavy-duty cleaner and degreaser. Non-caustic formulation for use with cold water pressure cleaning equipment. (40:1 / 50:1)	Red Odorless	1G: \$10 5G: \$45 55G: \$351
J1705	POWER CLEAN Medium foam, safe on soft metals, concentrated for dilution. Removes grease & oil. As heavy duty as possible yet still safe on soft metals.	Purple Odorless	1G: \$7 5G: \$32 55G: \$276
J1710	BLAST AWAY The combination of butyl and caustic detergents makes this the premium steam compound. Can be diluted prior to use. Absolutely our most aggressive cleaner. Will clean the toughest of jobs.	Blue Odorless	1G: \$8 5G: \$36 55G: \$332
J1715	STEAM COMPOUND Low foaming wetting agents and detergents. Safe on soft metals. Most often used where economy is a factor. Despite the price, this is an excellent product. Still maybe diluted before use.	Green Odorless	1G: \$5 5G: \$24 55G: \$192
J1720	POWER PLUS Heavy duty steam cleaner, yet economical. Not safe on soft metals. High caustic and high builders. Heavy foam and caustic bite causes this product to really do the job. An old time standby.	Red Odorless	1G: \$6 5G: \$27 55G: \$224
J1725	HEAVY DUTY STEAM COMPOUND Not safe on soft metals. This is our biggest seller. Concentrated, high foam, This is what steam cleaning is all about. It's "HOT". If this does not clean it, junk it.	Red Odorless	1G: \$6 5G: \$28 55G: \$234

J1730	HEAVY DUTY STRIPPER Ind. strength paint stripper. Heavy duty steam cleaning of equipment. Very strong. Used prior to painting. Not safe on metals or painted surfaces.	Red Odorless	1G: \$7 5G: \$29 55G: \$248
J1735	ENVIRO STEAM Our environmental steam cleaner. Biodegradable, emulsifies grease and oils. Use hot or cold. New regulations help this product to sell. It works!	Amber Odorless	1G: \$7 5G: \$30 55G: \$257
F5100	ONE STEP PRO WASH & DEGREASER A one step concentrated commercial one step cleaner that replaces the need for a two step cleaning process for the removal of road film from equipment and off road vehicles. (15:1)	Brown Alkaline Soaps	1G: \$33 5G: \$125 55G: \$763
F5102	ONE STEP WASHO & DEGREASER A one step concentrated commercial one step cleaner that replaces the need for a two-step cleaning process for the removal of road film from equipment and off road vehicles. (9:1 / 50:1)	Brown Soaps	1G: \$21 5G: \$79 55G: \$483
F5500	STEAM COMPOUND & DEGEASER A concentrated alkaline cleaning product. (4:1 / 20:1)		1G: \$12 5G: \$45 55G: \$272
F5502	ECONOMICAL STEAM COMPOUND & DDEGREASER A concentrated alkaline cleaning product. (4:1 / 20:1)		1G: \$10 5G: \$38 55G: \$231
F5670	TRUCK WASH PRO A highly concentrated alkaline wash and degreaser. (10:1 / 40:1)	Red Alkaline	1G: \$20 5G: \$75 55G: \$460
J6500	SOLUTION Fast acting, butyl cleaner and degreaser. Industrial strength. The right choice for heavy-duty jobs. Highly dilutable. It's excellent when used with pressure washers, hot or cold.	Purple Butyl	1G: \$7 5G: \$30 55G: \$257
F7200	D'SOLV TAR AND ASPHALT REMOVER A multipurpose, d'limonene based, ready to use tar, asphalt, and grease remover. May be applied using a sprayer or brush. Allow a minimum of 3 to 5 minutes dwell time after application. Rinse thoroughly with water.	Deep Orange Orange Oil	1G: \$42 5G: \$162 55G: \$985

F7300	CITRUS CLEAN ALL PURPOSE CLEANER An industrial strength cleaner manufactured from all natural products. This multi-purpose cleaner removes tar, asphalt, petroleum, and synthetic grease. Tack, silicone, various adhesives, and glues. Apply using spray or brush. 100% biodegradable.	Orange Orange Oil	1G: \$20 5G: \$78 55G: \$472
7500	PRESSURE CLEAN Special blend. Use hot / cold pressure for over the road service, delivery, & bus vehicles. Does an excellent job of removing road film.	Orange Characteristic	1G: \$ 5G: \$ 55G: \$
9220	LIQUID HAMMER Special formulation designed to dissolve hardened concrete, mortar, stucco, and grout. 100% biodegradable, and will not damage most painted, metallic, and non-metallic surfaces. Apply using spray or brush	Amber Almond	1G: \$22 5G: \$105 55G: \$547
54101	HOTSY BLUE THUNDER A popular vehicle cleaner for removing exhaust deposits, road film and bug residue. Excellent for older vehicles with faded finishes; helps restore oxidized paint surfaces of all types. Great for house-washing. (100:1)	Blue Cashmere	1G: \$3 5G: \$10 55G: \$113
54201	HOTSY TRANSPORT VEHICLE WASH Economical liquid detergent cleans stainless steel, aluminum, glass and painted surfaces such as cars, trucks, buses, RV's, trailers, mobile homes, tractors, etc/ Use as a pre spray for cleaning engines, whitewalls, vinyl and metal tops. (100:1)	Red None	1G: \$3 5G: \$13 55G: \$130
51101	HOTSY SUPER XL An all purpose detergent popular in the agriculture, construction, transportation and food industries. It's safe on all surfaces, easy to use, low foaming and free rinsing. (128:1)	Red None	1G: \$3 5G: \$12 55G: \$125
52751	HOTSY CARBON-ATE A highly concentrated detergent for tackling engine degreasing, parts cleaning, hard – to-clean vehicles, road film, carbon smoke trails, plus food and grease build-up – in both hot and cold water. Extremely non-corrosive, so it is great on polished aluminum. (150:1)	Green Fresh & Clean	1G: \$5 5G: \$24 55G: \$254

53701	<p style="text-align: center;">HOTSY BREAKTHROUGH</p> <p>This highly concentrated detergent is extremely popular and effective for tackling crude oil and caked on buildup of fifth wheel grease...yet it is gentle for fine finishes on cars and to use for general cleaning purposes. Helps restore all types of oxidized paint surfaces. (150:1)</p>	<p>Reddish/ Orange</p> <p>None</p>	<p>1G: \$6 5G: \$27 55G: \$280</p>
52851	<p style="text-align: center;">HOTSY RIPPER 1</p> <p>A highly concentrated, non-caustic, cleaner for heavy equipment and trucks. This fast-acting cleaner is especially effective on off-road and grease-clogged equipment and great on hard-to-remove road film on tractor/trailers. Safe to use indoors and on all painted surfaces. Excellent for cleaning shop floors and walls where inside cleaning is necessary. (100:1)</p>	<p>Purple</p> <p>Fresh & Clean</p>	<p>1G: \$5 5G: \$23 55G: \$241</p>
52901	<p style="text-align: center;">HOTSY RIPPER II</p> <p>This popular extra heavy-duty detergent is caustic based for really tough cleaning jobs such as heavy equipment and off road machinery. Extra cleaning action attacks hydraulic-oil stains and is particularly effective on heavy deposits of dirt and grease. DO NOT USE on aluminum, galvanized metal, fine painted surfaces or magnesium. (40:1)</p>	<p>Red</p> <p>None</p>	<p>1G: \$6 5G: \$25 55G: \$275</p>

SPECIALTY PRODUCTS

Part Number	Description	Color Fragrance	Price
J4150	<p style="text-align: center;">SPRAY ADJUVANT</p> Wetting agent. Non-ionic herbicide, fungicide, and pesticide activator and extender. A pH balanced blend, that is highly effective in reducing surface tension in water and soil, producing superior penetration.	Green Characteristic	1G: \$9 5G: \$39 55G: \$350
J4800	<p style="text-align: center;">RE-COIL</p> Descaler. Remove scale and mineral deposits in boilers, pumps, coils and cooling towers, steam cleaners and pressure washers. Heavy duty inhibited hydrochloric acid solution.	Green Characteristic	1G: \$7 5G: \$29 55G: \$247
J4900	<p style="text-align: center;">OXYPHOS</p> Rust remover and treatment. Removes and stops surface rust, mineral films, oxides, milkstone, etc. Phosphatizes steel. Excellent for preparing metal surfaces prior to painting.	White Lemon	1G: \$11 5G: \$49 55G: \$402
J4950	<p style="text-align: center;">PHOS</p> Multi-purpose acid cleaner. Foamy, phosphoric detergent. Removes water scale. Excellent for use in dairy and food processing areas. Phosphatizes ferrous metals to prevent loss due too oxidation.	Green Characteristic	1G: \$10 5G: \$44 55G: \$402
J8510	<p style="text-align: center;">RIGHT COIL</p> Alkaline coil cleaner. Concentrated blend of detergents, and water soluble solvent based degreasers. Effectively removes vegetable, Animal and mineral oils from air conditioning coils, fins and filters.	Red Characteristic	1G: \$7 5G: \$32 55G: \$276
J1835	<p style="text-align: center;">HEAVY DUTY STAINLESS STEEL</p> A heavy duty blend of three industrial acids and wetting agents. Designed for heavy industry to clean large pieces of stainless steel especially after welding.	Green Odorless	1G: \$9 5G: \$39 55G: \$351
J8565	<p style="text-align: center;">FURNITURE CLEANER/POLISH</p> Water based lemon oil polish that dusts, cleans & polishes in one application. An exceptional blend of lemon oils, cleaners & emulsifiers. Leaves treated surfaces smear free & polished.	Yellow Lemon	1G: \$9 5G: \$39 55G: \$351

TERMS AND POLICIES

TERMS:

Net 30 days from date of delivery, subject to credit approval. A 1.5% service charge will be applied to any balance not paid within 30 days. Any and all new orders will be put on hold if balance on an account goes beyond terms.

MINIMUM ORDERS:

A \$25.00 Delivery charge will be added to all delivered orders of \$200.00 or less.

FREIGHT:

Orders to delivered locations within a 10 mile radius of Largo, FL, will be shipped on vendor's trucks at no charge. All other shipments will be F.O.B. Clearwater, FL.

CUSTOM PRODUCTS:

Custom formulations may be requested providing that the following minimum quantities are met:

LIQUIDS – 300 GALLONS,
POWDERS - 1000 POUNDS.

SAMPLES:

We will gladly furnish one pint, one pound, or can of each product requested. If larger container sizes are required for product evaluation, applicable charges plus freight will be charged. This charge will be credited upon the first full case order of sampled product.

WARRANTY:

All "unaltered" products are guaranteed for quality for a period of six (6) months from the date of shipment.

RETURNS:

Merchandise will not be accepted for return without prior home office authorization and approval. A return authorization form will be completed and sent back to the customer requesting approval. This form will also act as the Bill of Lading for the return shipment. A 25% handling charge will be added to non-defective returned goods.

CONTAINERS:

LIQUID: Most liquid products are available in 55 gallon, 5 gallon pails or by the case in 1 gallon jugs.

POWDERS: Powdered products are available in a wide variety of sizes and containers including 500, 300, 100 and 50 pound packages. See your sales representative for details.
